Looking for that unique venue?

Victoria Baths is a Grade II* listed Edwardian swimming pool situated in Chorlton-upon-Medlock in Manchester. Originally opened in 1906 for residents in the area, it holds three pools and a Turkish baths suite, along with floor to ceiling decorative tiling and stunning stained glass windows. After closure as a public pool in 1993, a group of dedicated supporters formed the Victoria Baths Trust which has achieved the partial restoration of the building.

We are an award-winning venue, having taken home Best Wedding Venue at the UK Heritage Awards in 2020 and it's easy to see why. Victoria Baths offers a one-of-a-kind backdrop for your wedding. There is no other building like it still standing today. The original features and architectural design are completely unique, meaning your wedding will be truly original.
